10th May 2025

Circular
The Revised examination schedules

Dear Parents,

Greetings from Woodlem Park School, Al Jurf – Ajman!

As a school we believe in strong communication and partnership with our parents and as a result we worked on our academic plans based on your valuable feedback regarding the Term 1 examination. We have revised the exam schedule, and no further changes can be made after this as that would disrupt our term 2 plans. We kindly request you to follow the updated date sheet of Term 1 and PT1 and plan your holidays accordingly.

Let me just take your little time to update you why we intended to start exam early just after summer break

- ✓ All schools in UAE operate for 184 working days as compared to India where we operate for 220 working days
- ✓ If all exams start from 5th September it will end by 25th September and as a result, we will have a loss of one full month to move ahead with syllabus and classroom teaching.
- ✓ In order to be well prepared we sent you the circular with holiday details and exam information as early as 16th February so that you can plan well in advance.
- ✓ We must ensure that student time at school is utilized in the best possible way, and we do justice to their learning and for this we had planned 27th August to start examinations.

We value strong relationships with our parent community and for that we revisited and reworked our plans. Kindly ensure your ward attends school till the last day of summer break and from the 1st day of school reopening after summer break as revisions are equally important.

Note: Cycle tests and periodic tests will be conducted during school hours to ensure a smooth and uninterrupted academic schedule. Carefully read the schedule which will be applicable for your child.

The revised Cycle Test 1 & Cycle Test 2, Periodic Test 1 and Term 1 examination schedule are listed below:

Cycle Test 1		Cycle Test 2	
Date / Day	Grade 1-2	Date / Day	Grade 1-2
