Circular
Important Guidelines on Student Health and Medication

Dear Parent,
Greetings from Woodlem Park School Al Jurf, Ajman.

In our ongoing efforts to ensure the well-being and safety of all students, we kindly request your cooperation in adhering to the following health-related guidelines:

1. Medical Conditions:

If your child is experiencing any medical issues, please submit a detailed medical report through the class teacher at the earliest.

2. Medication During School Hours:

Should your child require medication during school hours, it is mandatory to submit a valid doctor's prescription along with the medication through the class teacher.

3. Unwell Students:

If your child is unwell, we request that they remain at home until they have fully recovered to avoid the spread of illness and to ensure their proper rest and recovery.

Your support in following these guidelines is vital to maintaining a safe and healthy school environment for all students.

Kindly go through the attachment sent along with the circular from EHS (Emirates Health Services).

Thank you for your continued cooperation.

Best Regards,

Clinic Department
Woodlem Park School Al Jurf.
